

Kids Fishing Days

Each year, Kids Fishing Days allow youth 15 years of age and younger in special "Youth Only" fisheries. Anglers 15 years of age and younger do not need a fishing license, but do need a harvest record card, which is available at most license vendors and the Alaska Department of Fish and Game offices. Often, ADF&G's Mobile Aquatic Center makes an appearance, providing: rods and tackle to borrow (for free), educational displays and activities, and harvest record cards and assistance for first time anglers. Information about upcoming Kids Fishing Days and their location can be found on the Alaska Dept. of Fish and Game's website:
