

# HOOK, LINE AND SINKER DIY

## WHAT YOU NEED

- A box
- Rocks
- Glitter
- Tape
- Fishing coloring sheet
- Foil, felt or pipe cleaner
- A stick/paper towel roll/chopstick
- String
- Mod Podge
- Tissue paper
- Foam brush

## ASSEMBLE THE POLE

Attach the string to the chopstick, paper towel roll or stick. Optional: Use tape to adhere the coloring sheet on the paper towel roll.

## MAKE THE HOOK

Make a hook out of aluminum foil, pipe cleaner or felt and adhere to the string.

## CRAFT THE LAKE

Follow the instructions on the Mod Podge package to tear and paste the tissue paper to the box with the foam brush. Optional: Add glitter beneath your last layer of light-colored tissue paper for extra lake sparkle. Fill the box with rocks. Adorn with origami fish, lily pads and butterflies.
