A dirt road leads from a grassy field towards a range of rugged, snow-dusted mountains. The scene is captured in a wide-angle shot, emphasizing the vastness of the landscape. The mountains are dark with patches of white snow, and the sky is clear. The overall mood is one of uncertainty and a path that leads to a complex, high-stakes situation.

Why Text Messaging?

>90% of American adults own cell phones and $\frac{3}{4}$ of them (73%) send and receive text messages.

2-3x more text sent by African-Americans and Hispanic than Caucasian audiences.

55% of Americans who exchange more than 50 messages a day say they would rather get a text than a call.

those with lower levels of income and education text more often than those at the higher end of the income and education scale.

109 average messages exchanged on a normal day for cell owners between the ages of 18 and 24.

INTERACTIVE TEXT SOLUTIONS

NOTIFY + REMIND

Send notifications & reminders. Import contacts, or integrate an existing DB or CRM

EXAMPLE

“Hi from California State Parks. Your campground reservation is confirmed for Friday 4/10. Plans changed? Reply CANCEL to reschedule.”

RECRUIT + ENROLL

Spread the word about your programs. Qualify leads with a few quick questions.

EXAMPLE

“HPI works with the city to offer free repairs to keep your home warm and safe. Answer 5 quick Qs to see if you qualify.”

SURVEY

Invite anyone to text in. Get concise, actionable feedback in 5-8 questions.

EXAMPLE

“Is your child still wearing the glasses?”

TEACH

Send tips or exercises by text for persistent, bite-sized education

EXAMPLE

“Today your child learned about dinosaurs in class. Ask them what their favorite was, and why.”

Fish, Games and Parks Use Cases

Capture feedback from park visitors and summer-programs participants.

Hunter safety quiz

Increased volunteerism and engagement with outdoor activities. Query anglers, hunters and boaters on their experience level. Ask experts if they would teach a class and beginners if they would attend a class.

Real-time location based information on fish restocking, available campsites, park openings and more.

DRIVE OUTCOMES

6 KEY FOCUS AREAS FOR SUCCESS

Required Outcomes

Aligning their communications or engagement activities with their strategic priorities to achieve their desired outcomes

Investing in Technology and Maximizing Investments

Leveraging the appropriate digital communications channels and technical solutions and achieving desired outcomes

Reach and Engagement

Reaching a pre-defined target audience that is fully engaged

Capabilities and Capacity

Sustaining appropriate staff capacity and the expertise needed to achieve programmatic or organizational goals

Analyzing Outcomes

Assessing metrics and reports to make data-driven decisions to continuously improve their ability to drive desired outcomes

Requirements and Accountability

Implementing security requirements and holding staff accountable for the safety and integrity of their data

DIGITAL ENGAGEMENT MATURITY MODEL

1 - EMERGING

- Low alignment on desired outcomes
- Limited awareness of the importance of reach
- Aging, legacy and inefficient solutions
- Not reporting on outcomes

2 - PROFICIENT

- Occasional outcomes focus
- Initial focus on audience growth and understanding
- Shared strategy but little measurement
- Defined tech needs
- Tracking upstream metrics (clicks, follows, subscribers)

3 - EXPERIENCED

- Importance of reach prioritized
- Audience acquisition and segmentation strategy aligns with organizational priorities
- Dedicated digital marketing tools and playbooks
- Using data to improve outcomes and measure ROI

4 - EXPERT

- Ability to reach key audiences at scale and aligned with org goals
- Measuring and celebrating improvement of outcomes
- Integrated into citizen's lives to improve outcomes
- Measuring ROI from organizational and citizen perspective
